Orientation Information

Preparation is an important part of our philosophy in working with young children and students. Considering this, we ask that one parent attend a mandatory ½ hour orientation with their child, if the child has never attended summer camp at Hanna Perkins Center. During this visit, the parent and child will view the facility and receive information about the camp program and meet the camp director. At this orientation we ask that you return all completed paper work, which is required for entrance into the camp program. Time and date of orientation to be determined. You will be notified.
Thank You.
